

# THE PUMP & POUND

The Newsletter of Parrett & Axe Parish Council

Issue 16

February/March 2014

Welcome to the sixteenth edition of The Pump & Pound. We hope that the items included are informative, relevant and of interest to our readers. We are always pleased to receive feedback and suggestions.

It is with great sadness that we record the passing of two village stalwarts; they both formed part of my childhood memories and they will be greatly missed by all.

*Michael Johnson, Chairman*

## **Ben Daw (12<sup>th</sup> June 1918 – 14<sup>th</sup> January 2014)**

Alfred Charles Daw, known to everyone as Ben, sadly passed away at home on 14<sup>th</sup> January 2014. Ben was born in South Perrott where he lived all his life. He was much loved and our well-known oldest resident.

## **Alec Eglon (11<sup>th</sup> October 1929 – 18<sup>th</sup> January 2014)**

Another local resident sadly died the same week as Ben. Alec lived in the village for most of his life and he attended the old Village School in South Perrott.

## **South Perrott is Safe from the worst floods!**

The photo on the right shows the amount of water that would have deluged the village had it not been for the Environment Agency's Flood Relief Scheme. The dam and subsequent improvements have ensured that the volume of water released into the River Parrett is controlled thus preventing the major flooding of homes that occurred prior to its installation.

The extreme weather that is currently being experienced throughout the country has resulted in the saturation of the land and a rise in the water table. At the last Parish Council meeting, Martyn Gillingham volunteered to be River Warden for South Perrott and was duly appointed. Martyn will regularly check the River Parrett and tributaries to ensure that they are free of obstructions and will liaise with the Environment Agency as necessary. He can be contacted on 891931.

We still need to be vigilant as blocked drains and gullies can cause localised flooding. Please take action either by clearing these yourself or if this is not possible by contacting a neighbour or Martyn. We must all take responsibility for our property and our village.

## **Reporting Highway Problems including Potholes**

DCC's highways maintenance team received over 1000 reports of cracks and potholes in road surfaces throughout the county during the first two weeks of January. In our area numerous potholes have opened up on the A356. On the section between the 30mph sign and the Somerset border these are deep and recurrent. The maintenance team provides a good response; however often the same potholes reappear and with heavy rainfall sometimes within a week. The Parish Council will continue to notify all known road hazards. DCC is urging people to report highways issues by visiting [www.dorsetforyou.com](http://www.dorsetforyou.com) and following the links. The phone lines for emergency highways issues are 01305 221020 during office hours and 0845 0678 999 at all other times.

DCC aim to repair potholes, that present an immediate hazard to road users, within 32 hours and to repair all other defects within 28 days. DCC staff are doing their best to keep to this commitment and the latest technology is enabling a more targeted response to road issues identified.

## **Charity Skittles Night**

A skittles evening including a hot buffet supper is being held at the Coach & Horses Inn on Saturday 22<sup>nd</sup> February. All proceeds raised will go towards the upkeep of South Perrott and Chedington's Millennium Green. Come and have fun and you could be this year's winner of the Millennium Green Skittles trophy! Tickets are £5 each. A family ticket for 2 adults and 2 or more children is £17.50. Further details are given in "What's On" on the back page.

## **Chedington Street Fair**

The Street Fair for 2014 will be on Saturday 26<sup>th</sup> July. As well as the usual lunches, teas and cakes there will be a number of new features this year. These include lots of new games, a bouncy castle and skittles. There will be some new stalls. Entry will be £1 per adult which includes a prize draw for a hot air balloon ride leaving from Winyards Gap that evening. For more information contact Henry on 01935 891567 or see

the Street Fair website [www.chedingtonstreetfair.co.uk](http://www.chedingtonstreetfair.co.uk). The Street Fair raises funds for the Chedington and South Perrott Village Halls.

### **News from the Village Pubs**

Both the village pubs will be offering special Valentine's Day menus on Friday 14<sup>th</sup> February. The Coach and Horses menu will also be available on Saturday 15<sup>th</sup>. Normal menus will be available on both days.

### **Chedington and South Perrott Gardening Club**

2013 ended with a very pleasant and fascinating talk by Terry Heard. So good to know that traditional wood crafts have not yet been consigned to history! The no-waste policy of coppicing benefits the woodland. The 'waste' is used to make a myriad of useful things such as thumb and walking sticks, Harry Potter type wands and besoms (a handy means of transport for witches and wizards). Even flowers from the shavings!

We had a good start to the New Year with a talk from Neil Lovesey of Picket Lane Nursery. He is very generous with his professional know how; members benefit greatly from his knowledge. It is well known that there are 4 seasons in the UK. But apparently there are 10 for plants! Like us, plants do not always get the full complement. That is why some plants do well in some years and not others. True to his word Neil showed us, with the help of slides that cheered up a cold damp evening, that by using secateurs and delaying planting we can get colour in the garden all year.

What next? On February 12<sup>th</sup> Phil Gamble will be speaking about the National Trust gardens in the South West. On March 12<sup>th</sup> The Castle Gardens Group will provide a speaker on "top fruit and soft fruit", something that can be looked forward to for the summer.

### **Parrett & Axe Parish Council**

Below is a summary of some of the topics discussed at the Parish Council meeting held on Thursday 9<sup>th</sup> January 2014. A full set of the agreed minutes will be available on the Parish website ([www.parrettandaxe.org.uk](http://www.parrettandaxe.org.uk)) or from the clerk when accepted at the next meeting. In addition to the Parish Councillors and Clerk, also in attendance were County Cllr. Rebecca Knox and District Cllr. Janet Page. Apologies were received from District Cllr. Caroline Payne and PCSO Alex Bishop.

- ❖ **Bus Service – 204 Thorncombe to Yeovil** – Following consultation as part of the review, from 6<sup>th</sup> April 2014 the 204 bus will continue to run on Fridays. The issue of rural transport is in the spotlight and the expansion of the Community Volunteer Service is going ahead with more community cars and minibuses. These can be used for non-emergency purposes as well as hospital appointments.
- ❖ **Mobile phone reception** - The BT team based at County Hall have advised that under the Government's Mobile Infrastructure Project mobile phone coverage will be extended to areas where no coverage is currently available. Various sites are under consideration, including one in this parish. The aim is for sites to be acquired and building to be completed by 2015.
- ❖ **Flooding in South Perrott.** - See article on front page. There has been some flooding in South Perrott, in the main confined to the roads. A particular concern during heavy rain was when water cascaded from the ditch at the back of the Village Hall in South Perrott, down Pipplepen Lane and into The Pound. It was agreed that a review of the drains is needed. Martyn Gillingham volunteered to be the River Warden and was duly appointed.
- ❖ **Road Issues:**
  - **Reporting Highway Problems including Potholes** – See article on the front page.
  - **Accidents** – Following a series of accidents on the A356 near the old Golf Club (now Holt Farm) a site meeting of parish councillors was held in December with a DCC highways engineer and County Councillor Rebecca Knox to discuss the possible causes. Resurfacing and patching is planned and hydro blasting has been done.
  - **A356 Resurfacing** – Resurfacing of the section of the A356 from Holt Farm to east of Sockety Farm is scheduled to commence 21<sup>st</sup> July 2014. At the same time patching will be done where necessary on the section from Holt Farm eastwards as far as the junction with Chedington Lane signposted to Mosterton. This section of the A356 will be closed to all traffic during the resurfacing period and diversions will be in place.
  - **Kerbstones** – Remedial work to the kerbstones at the edge of the shared footway from Picket Lane to Swing Gate Cottage and outside the Bakers Arms will be undertaken. We are awaiting confirmation of a date.

- **Flooding under the railway bridge on Pipplepen Lane –** There have been recent incidents of vehicles submerged under the bridge. A request has been made to Somerset County Council for a sign to be erected at the South Perrott end of Pipplepen Lane, similar to that at the North Perrott end warning that the road is closed beyond Pipplepen Farm. Hopefully this will prevent a recurrence of the situation shown in this photo!

- ❖ **Village & Parish Plans** –The parish consultation event planned for spring 2014 has now been deferred until the summer. Details of this event will appear in future issues of the Pump and Pound and via fliers delivered to each household in both villages. **Watch this space!**
- ❖ **Precept for 2014-15.** A precept of £3800 was approved for 2014-15. This is the same amount as the current (2013-14), year.
- ❖ **Budget** - It was agreed that it would be prudent to build up the Parish Council's contingency fund when next year's budget is considered in November 2014, to enable small projects to be undertaken.
- ❖ **Planning Applications**
  - One new application was received 1/D/13/001731 Winyards Gap Inn, Chedington – proposed outbuilding to contain biomass boiler installation.
  - WDDC notified the following decisions: Picket Farm, South Perrott. Demolish outbuilding for calf rearing and alter road access. Approved.
  - Bellamy Farm, South Perrott. Remove external walls to granny annexe. Approved
  - Applications pending and decisions notified can be viewed on [www.dorsetforyou.com](http://www.dorsetforyou.com).

### Parish Councillors

Councillor	Address	Telephone No.	e-mail Address
Michael Johnson ( <i>Chairman</i> )	Chedington	01935 891347 or 07813210266	mikej.chedington@btinternet.com
